## **2021 Valdosta State University ALUMNI DIRECTORY**

Our upcoming engagement campaign is an ongoing effort to update, maintain and better utilize our alumni data so we can continue to best serve our alumni.

We have partnered with Publishing Concepts to help collect information from as many alumni as possible and produce the **2021 Valdosta State University Alumni Directory**.

PCI will soon be contacting you via mail, phone, and email asking you to participate by updating your contact information.

Thanks for your participation!
